

## TIME LOG OF VOLUNTEER HOURS

Numbers will be collected by your chapter at the end of May each year.

Information on your volunteer activities for Spellbinders is important to your chapter, to the national organization and also to you. You can use this sheet to note stories you've told, comments and reminders on your program and you can keep track of your mileage for a tax deduction, if you wish. Fill out the following questionnaire to the best of your ability. Please estimate time and numbers of attendees if you have not kept exact records.
